

**FINNISH HIGH
QUALITY CLEANING
SUPPLY LINE**

Siivo – cleaning product line

Finnish Siivo cleaning supplies are designed for professional use. Carefully chosen materials and precise handicraft guarantees high quality of the products. Highly durable product range consists of floor squeegees, mops & mop frames and window cleaning equipment.

Our customer base is wide, including wholesalers and stores specialized on the cleaning industry. We also have customers of various fields of businesses such as interior decoration, surface materials stores, hardware and rubber stores.

Siivo products have delighted our customers ever since 1960's.
